EJTN ADMINISTRATIVE LAW TRAINING
Administrative Law and Procedures

[AD/2020/10]

This training comprises of impulse lectures and discussion of basic principles and case law concerning administrative judicial procedure. Participants will devote their time to the discussion of practical cases and selected issues in the field of procedural law with a definite comparative aspect and approach. All the lectures and workshop sessions will be led by experienced practitioners and trainers, who will guide the selected Judges through the course of their work. The training will also serve as a forum for the exchange of knowledge and best practices between Administrative judges from across the EU and the creation of lasting networks of judicial cooperation and understanding in one of the most pressing fields of judicial development in Europe.
