

**Thursday and Friday, 9-10 December 2021**

Judicial Training Methods  
TM/2021/09

**Conference on “The Future of Leadership  
Training” held online.**

With financial support from the Justice  
Programme of the European Union

## Description

The conference aims to sum up the three-year training programme which has started in 2019 and which covers Leadership training activities together with the Presidential exchanges.

It will present the outcomes of EJTN's leadership training portfolio on Personal Leadership, Leadership in Communication and Change management, with reference to The Judicial Training Methods Guidelines, published by the JTM WG in 2019.

### Learning outcomes

- ✓ The conference hopes to provide a platform for the participants to evaluate the impact of leadership training and participation at the presidential exchanges on their professional lives
- ✓ To raise the awareness on the importance of training judicial leaders;
- ✓ Promoting the idea of networking among European judiciary;
- ✓ To share the best practices on leadership training and addressing the challenges in the area.

### Target audience:

Court leaders, judges, chief and head prosecutors, who participated in the leadership exchanges and leadership training activities of EJTN.

**Language regime:** English

**Activity Coordinator:** Erikas Juchnevičius (LT)
