## BACKGROUND

EJTN THEMIS Competition is a competition with a unique format, opened to judicial trainees from across Europe and aiming to exchange views and develop new approaches on topics related to international civil and criminal cooperation, human rights and judicial deontology.

The competition is opened to judicial trainees from all training institutions who are members or observers of EJTN. Teams of three judicial trainees accompanied by one teacher/tutor may enroll in the competition which consists of four semi-finals and a grand-final. The official language of the competition is English.

The jury of the competition is chosen from a pool of experts appointed by EJTN Members, that are well-regarded professionals in the field of the given semi-

final/final. As a general rule, experts must not have the same nationality as the competing team they will have to assess.

The jury members assessed the overall quality and the originality, the critical thinking and the anticipation of future solutions, the reference to relevant case law, but also the communication skills and the consistency.

Each semi-final had three stages: a written paper on a topic relevant for the subject of the semi-final, an oral presentation of that paper and a discussion with the jury. The maximum number of teams participating in a semi-final is eleven. The winner and runner up of each semi-final will enter the grand-final, consequently there are eight teams in the grand-final. The prize for the winning team is a one-week study visit, organised and financed by EJTN, in any European judicial institution.
